#### IT'S ALWAYS BAD.

The Best of Backs Are Bad When They Ache, and Astoria People Know It.

A bad back is always bad. Bad at night when bedtime comes. Just as bad in the morning. Ever try Doan's Kidney Pills for it?

Know they cure backache—cure every kidney ill?

William McLarty, living at 16th and Washington streets, Oregon City, Ore., says: "I had persistent backache and pain through the loins that seemed to never let up. At night I could not find a comfortable position or get any restful sleep on account of the continual aching and as a result, I lost energy. I learned of Doan's Kidney Pills curing others of similar troubles and I procured a box. By the time I had used half of one box, there was so much improvement that it seemed almost unnecessary to take any more, but I finished the box to make sure of a permanent cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

#### GIFT FROM MIKADO.

Decoration of the Fourth Class of Imperial Order of Rising Sun.

WASHINGTON, April 22.—The Post prints the following:

The Emperor of Japan, through Ambassador Takahira, has conferred upon Col. Charles A. Boynton, superintendent of the Southern division of the Associated Press the decoration of the fourth class of the Imperial Order of the Rising Sun. In transmitting the decoration which is an exquisite product of Japanese art, the

ambassador stated that it was given in token of the good will felt toward Colonel Boynton by the emperor and a manifestation of the appreciation of the high ability and fairness of Mr. Boynton in the exercise of his functions as a directly spirit in the great news concern which he represents.

Col. Boynton comes from a family of distinguished men, he being a brother of the late General Henry Van Ness Boynton and the son of Charles Boynton, editor of the Christian Nation of Cincinnati, on which publication he received his first newspaper experience. He was born September 30, 1836, at West Unbridge, Mass., and went with his parents to Cincinnati. He was education in the public schools of that city and was later graduated from Knox College, Illinois. After the apprenticeship with his father, he entered the service of the Associated Press as its New York representative. In 1894 he was appointed to his present position with headquarters in this city. He is a member of the Gridiron Club but aside from his connections with societies he is one of the most widely known newspapermen in America.
